Subject: FW: Zemgale - request of LSFO at Charleston

Charleston – LSFO Availability:

At Charleston there is only one bunker supplier, Colonial Marine Fuels. They stated as follows:

Subject: RE: Bunker Purchase Confirmation - Zemgale - Savannah - 21st April 2014

Please note we do not have IF-380 RMG 1% LS in Charleston and probably will never have it due to operational reasons.

We have a very large pipeline over 600 ft long and very large in capacity which required a lot of purging.
We do not have IF-380 HS in Charleston at this time.
